

Before you step into this Virtual Reality Experience, please read the following:

This experience is designed to be as close to being in a Macchi Advanced Jet Trainer as possible. As such you may experience some nausea or dizziness particularly if you are susceptible to motion sickness. If you need to stop the experience at any time please let your instructor know.

To get the most out of the experience and to reduce the chance of any discomfort while participating please ensure you are:

- Not tired
- Not Under the influence of drugs or alcohol
- Not Hung-Over
- Not currently experiencing or have pre-existing digestive problems
- Not under emotional stress or anxiety
- Not suffering from a cold, flu, headaches, migraines or earaches

As this can increase your susceptibility to adverse symptoms.

Discomfort

Immediately discontinue using the headset if any of the following symptoms are experienced:

- Seizures
- Loss of Awareness
- Eye Strain
- Eye or Muscle Twitching
- Involuntary Movements
- Altered, blurred or double vision or other visual abnormalities
- Dizziness
- Disorientation
- Impaired hand-eye coordination
- Excessive sweating
- Increased salivation
- Nausea
- Lightheaded ness
- Discomfort or pain in the head or eyes
- Drowsiness
- Fatigue
- Any other symptoms similar to motion sickness.

Pre-existing medical conditions

Please consult your doctor before undertaking this experience if you are, pregnant, elderly, have pre-existing binocular vision abnormalities or psychiatric disorders or suffer from a heart condition or other serious medical condition. The headset and controller controllers contain some components which could interfere with medical devices such as pacemakers, hearing aids and defibrillators, if you have a medical device please consult with your doctor before participating in this experience and if you observe any interference with your device, please tell us you need to end the experience.
