Visitor Map

 WATER FOUNTAIN
 TOILET
 WHEELCHAIR RAMP

 STAFF ONLY AREAS
 EMERGENCY EXITS

We are the only aviation museum in Western Australia, and boast one of the largest collections of aircraft, engines, communication devices, tools, support vehicles and trainers that demonstrate all of the skills and services that have worked together to conquer the skies. The collection continues to be built, with a focus on preserving aviation history and sparking curiosity in young people.

Opening Hours*:
 Open 7 days a week from **10:00am–4:00pm**.
 Closed on Good Friday, Christmas Day, Boxing Day, and New Years' Day.

Did you know?
 We have a number of unique experiences and tours, which are available to be pre-booked, or can be booked when you arrive at the museum, pending availability.

To book a tour or gift one to someone else visit our website: www.aviationmuseumwa.org.au
Phone: (08) 9311 4470
Email: museum@raafawa.org.au

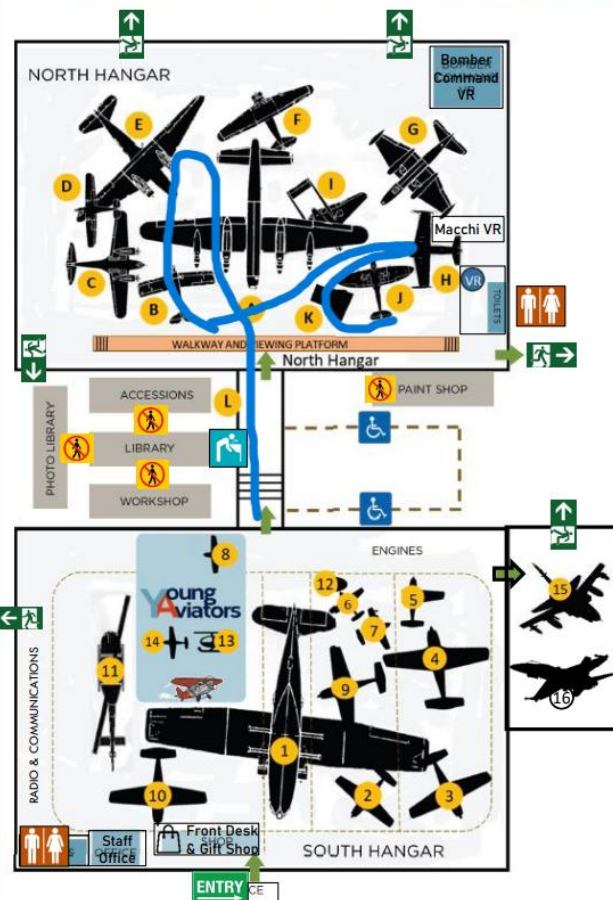

*Please note we may close the museum in cases of extreme weather (heat and wind) to protect our aircraft and for the safety of visitors. If you are unsure if we are closed, please check our Facebook and Instagram pages. If your visit is affected by severe weather, we apologise for any inconvenience.
